Minutes of Meeting

- **Tasks** (T) - has an Owner and a deadline
- **Decisions** (D)
- **Information** (I) - everything else of interest

- Date: 27-01-23
- Time: 16:00
- Topic: Second Client Meet
- Goal: To understand the scope & requirements of the project to the maximum extent
- Attendees:
    - Client: Arun Reddy Thumma
    - Team: Bhav Beri, Aditya Raghuvanshi, Himanshu Sarraf

Type	Description	Owner	Deadline
D	The rough frontend and higher part of backend would be implemented in the first phase of build. There would be an cloud service/API providing the data from ROS. There would be a web admin panel, and an user mobile application in the project.	-	-
D	Made an abstract out version of the flow of the project technical parts. (Attached at the end)	-	-
T	Preparing a requirements doc	The team	Preferably by next Meeting
I	Tried to get further information about the detailed deep down view into the project details.	Client	-

- Next meeting: 10-02-23
